WALK - IN - INTERVIEW FOR
POST DOCTORAL FELLOW (1 Post) (ON PROJECT- Involving protein-protein
interaction studies)

Job Description: To Clone, sub-clone, design mutants, express and purify proteins. Perform biochemical, biophysical, structural and cell-based studies with relevant proteins to characterize their interactions.

Minimum Qualification: Doctoral degree in biochemistry, biotechnology and Life Sciences and related biological fields from a recognized university.

Experience: Minimum one year of post Ph.D. experience will be preferred. Experience in recombinant protein purification, molecular biology, structural biology, biochemistry and cell based experiments are required. Extensive experience in bacterial protein expression and purification, molecular biology, mammalian cell culture and apoptosis assays is desirable.

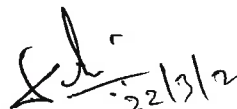

Consolidated Salary: RS.40,000/- per month.

Duration: Six months & extendable.

Candidates fulfilling the requirements should send mail to advt.actrec@gmail.com mentioning the post applied in the subject and attaching recent CV highlighting the relevant experience and qualification by 05.04.2021 till 5.30pm. Two letters of recommendations should be emailed to advt.actrec@gmail.com directly by the referees; one referee **MUST be the Ph.D. advisor.**

Eligible candidates will be informed by reply email about the tentative timing of Zoom Interview.

Selected candidates will have to come to ACTREC and will be allowed to join after verification of their original certificates.
